## FY 2019 Appropriation Act Errors

### Budget Office Errors

<u>Article</u>	<u>Location</u>	<u>Description</u>
1	Page 17, Line 21	Remove the word "and" before \$520,000 and add the following language after the word "Fund" to identify the recipient of a share of the recommended general revenue funding: "and \$200,000 for the Institute for the Study and Practice of Nonviolence's Reduction Strategy".
1	Page 38, Line 1	Change the FTE count for Judicial from 723.5 to 723.3.
10	Page 242, Line 34	Change the total amount of the change column from (\$60,423) to \$9,577 and the revised budget amount from \$2,744,876 to \$2,744,876. This corrects the actual change and revised budget amount for the Office of the Health Insurance Commission in the FY 2018 Revised Budget.
10	Page 243, Line 13	Change the total amount of the change column from \$214,773 to \$608,476 and the revised budget amount from \$15,820,956 to \$16,214,659. This carries through the correction above to the total changes for the Department of Business Regulation.
10	Page 252, Line 17	Correct the spelling on the word "Strategy" to "Strategy".
10	Page 253, Line 6	Add the following language to the beginning of this line to match the enacted appropriations act: "Of this amount \$200,000 to provide".
10	Page 253, Line 24	Strike out the number \$180,000, which has been replaced with \$90,000.
10	Page 253, Line 27	Replace the words "State Funded" with "Other".
10	Page 254, after Line 8	Insert a new line to reflect a new federal funds appropriation in the Central Management program: "Federal Funds, with \$0 in the FY 2018 enacted column, \$725,000 in the change column and \$725,000 in the final FY 2018 column.
10	Page 255, Line 31	Change the total amount of the change column from \$113,317 to \$113,220 and the Final column from \$257,938 to \$257,841.

- 10 Page 255, Line 32 Change the total amount of the change column from \$119,699 to \$119,602 and the Final column from \$1,045,819 to \$1,045,722.
- 10 Page 267, Line 4 The number in the change column is a reduction in funding and thus should be reflected as (214,265).
- 10 Page 270, Line 4 The number in the change column should be \$39,005,942. The number in the final column is correct.
- 10 Page 270, Line 6 Change the total Federal Funds amount in the Final column from \$3,222,044,286 to \$3,222,044,268. This corrects for a transposition of the final two numbers in the original act.
- 10 Page 270, Line 9 Insert the following Statewide total amounts:  
FY 2018 Enacted = \$9,242,834,810  
FY 2018 Change = \$219,419,754  
FY 2018 Final = \$9,462,254,564
- 10 Separate Article on Web The errors listed above were identified by using the complete Appropriations Act as posted on the legislative website; however, the standalone article 10 is missing some underlining and strikethroughs that are not missing in the full act. Sections 5 and 6 should have the following information stricken:

Section 5, page 36, line 15: “three million five hundred thousand dollars (\$3,500,000)”

Section 6, page 36, line 19: “one million dollars (\$1,000,000)”

Sections 7 through 12 are underlined in the full act, but not so in the standalone Article.
