Subject: Technical Corrections to the FY 2020 Appropriations Act
(19-H-5151)

The Budget Office has reviewed Articles 1 and 10 of the FY 2019 Appropriations Act as posted on the legislative website and through this review and from feedback provided by the House Fiscal Staff have identified several errors that were contained in the original version submitted by our office to the Legislative Counsel's office. Attached is a list of the errors and corrections by Article number and page and line number within each article.

We have also identified some issues with other articles of the act and will be submitting stand-alone amendments to clarify language or intent for these articles, as needed.

If you have any questions regarding these technical corrections, please feel free to call me at 222-6300.
