

ORR Regulatory Review Timeline

Key: **APA requirements**

EO 15-07 requirements

Executive Order 15-07 (EO 15-07) applies to all Executive branch regulations not filed as Final Regulations on or before 2/17/15.

	Prior Requirements (APA/Regulatory Flexibility)
ORR Preliminary Draft Review	<ul style="list-style-type: none"> • ORR reviewed for Regulatory Flexibility • Submitted Regulatory Flexibility Package only • Emailed multiple forms and documents to multiple offices • ORR had up to 15 days to make recommendations • Could publish Proposed Regulations regardless of ORR recommendations
ORR Post-Comment Draft Review	<ul style="list-style-type: none"> • No ORR review

	Current Requirements (EO 15-07 + APA/Regulatory Flexibility)
ORR Preliminary Draft Review	<ul style="list-style-type: none"> • ORR reviews for EO 15-07 requirements and Regulatory Flexibility • Submit data, analysis, and regulations via online ORR Regulatory Review Submission System • Enter data and upload PDFs only (regulations; benefit-cost analyses) – no separate forms • ORR has up to 30 days to clear or return to agency for revision • Cannot publish Proposed Regulations to begin Public Comment period without ORR clearance (or unless ORR takes no action within 30 days)
ORR Post-Comment Draft Review	<ul style="list-style-type: none"> • ORR review required only if comments were received (if not, simply certify no comments were received) • Submit regulations for review via online ORR Regulatory Review Submission System • Enter data and upload PDFs only (regulations; benefit-cost analyses; public comments) – no separate forms • ORR has up to 30 days to clear or return to agency for revision • Cannot file Final Regulations without ORR clearance (or unless ORR takes no action within 30 days)

- Once ORR clears Proposed Regulations to be published, all APA requirements for the 30-day Public Comment period remain the same.
- Once ORR clears Final Regulations to be filed, all APA requirements for filing and the 20-day period before regulations take effect remain the same.
